Monthly Cashback Bonus

Each month you will be eligible for a bonus on your cashback rebates depending on the combined cashback total you have generated at all brokers.

\$500.00 - \$1,499.99 = 1% bonus

\$1,500.00 - \$2,499.99 = 2% bonus

\$2,500.00 - \$7,499.99 = 3% bonus

\$7,500.00 and up = 4% bonus

For example, if you earn \$500.00 in rebates at Pepperstone, \$1,000.00 at Forex.com/UK, \$750.00 at FXDD-Malta and \$500.00 at ThinkForex you would have a total rebate of \$2,750.00

You would receive a bonus of \$82.50 (\$2,750.00 x 3%).

In certain months throughout the year we will announce that it is a **“Special Month”**. In Special Months the bonus structure will change to this...

0 - \$499.99 = 1% bonus

\$500.00 - \$1,499.99 = 2% bonus

\$1,500.00 - \$2,499.99 = 4% bonus

\$2,500.00 - \$7,499.99 = 6% bonus

\$7,500.00 and up = 8% bonus

Please note that rebates for Fx Pro are not included in this calculation (since these contracts are in the name of Mr. Gavin and not The Aslan Group).

However, **all** clients will receive a bonus of at least 10% on their **Fx Pro** cashback regardless of the volume traded.

If you have any questions, please email Gavin at aslangroupforex@gmail.com
